# Annual Dinner 2017

*The Lubricant Industry's most prestigious networking event*

## A first class evening awaits you and your guests

The UKLA Annual Dinner is the highlight of the Lubricants Industry networking calendar. Held at the world class Jumeirah Carlton Tower in London's Knightsbridge; there will be a splendid dinner in the Ball Room and an evening of top quality networking, giving you the opportunity to make useful new contacts.

Throughout the evening, not only will you hear about how the United Kingdom

Lubricants Association has worked with and for the industry during the year; our Host for the evening is the most sought after Dominic Holland.

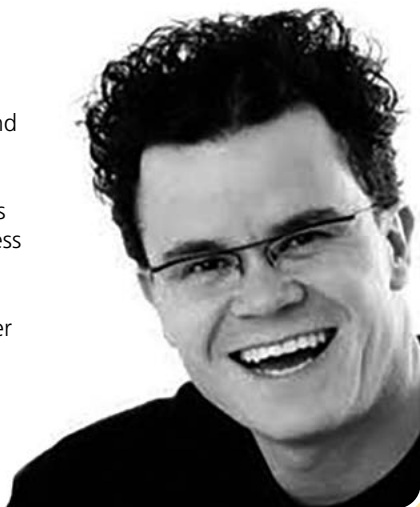

This is your opportunity to mingle with other likeminded industry executives, make new contacts and enjoy an evening of fine food and company. Bring your clients and prospects and enjoy this prestigious occasion.

## DOMINIC HOLLAND

Multi-award winning, Dominic Holland has been a professional comedian for more years than he cares to recall.

With countless television and radio appearances including HAVE I GOT NEWS FOR YOU and THE ROYAL VARIETY PERFORMANCE, LOOSE ENDS and THE NEWS QUIZ, as well as his two BBC R4 series – Dominic's quick wit and accessible material has allowed him to tour the UK constantly and he has established himself as a firm fixture on the business entertainment circuit also.

As comfortable addressing 3000 people for dinner at the Cowes Regatta on the Isle of White or an intimate dinner for 60 at a medieval Chateau on Lake Geneva, we are really looking forward to Dominic hosting our 2017 Annual Dinner.

# Annual Dinner 2017

The event of the year, not to be missed
