

## UKLA Executive Industry Overview

A two day intensive briefing giving senior industry managers and leaders an overview of the fundamental areas of the Lubricants industry including exploration, refining, manufacture, marketing and regulation.

Day one will cover the following topics:

- Crude Oil, Exploration & Refining
- Lubrication Fundamentals, Tribology & Wear Mechanisms
- Base Oil Types & Characteristics
- Additive Technology
- Power Generation & Marine
- Automotive Lubricants

Day two will cover the following topics:

- Off-Highway & Mining Equipment
- Industrial Lubricants
- Cement Industry
- Railway Lubricants
- Greases
- Metalworking Fluids
- Used Oil Analysis
- Oil Industry Glossary of Terms
- Oil Industry Abbreviations

### Who Should Attend?

Senior managers in the Lubricants Industry as well as those who need to be brought up-to-speed on all the relevant information pertinent to the UK & European lubricants markets. It is particularly pertinent for those working in non technical areas of the industry such as legal, marketing and finance.

### Date and Venue:

The next course will be held on 7<sup>th</sup> and 8<sup>th</sup> November 2017.

### Cost:

The cost for UKLA **members** will be **£549** and for non members £649 excluding VAT. The course fee includes all course materials, meals and accommodation for the first night.

### Trainer:

The trainer will be Rod Pesch CChem MRSC. With over 48 years experience in the Oil Industry few people can be as well placed to lead this executive overview of the industry.
