

Annual Dinner 2021

The Lubricant Industry's most prestigious networking event

A first class evening awaits you and your guests

The UKLA Annual Dinner is the highlight of the Lubricants Industry networking calendar and this year will be held at 8 Northumberland; there will be a splendid dinner in the Ball Room and an evening of top quality networking, giving you the opportunity to make useful new contacts and renew old acquaintances.

Throughout the evening you will hear about how the United Kingdom Lubricants Association has worked with and for the industry during the year and get the opportunity to listen to our speaker the renowned Dr Phil Hammond.

This is your opportunity to mingle with other likeminded industry executives, make new contacts and enjoy an evening of fine food and company. Bring your clients and prospects and enjoy this prestigious occasion.

We are delighted to announce that our President's Charity for this year is the RNLI and 5% of the ticket revenue will be going towards this excellent cause.

Phil Hammond is a fully-qualified National Health Service (NHS) doctor, journalist, broadcaster, campaigner and comedian. He qualified as a General Practitioner (GP) in 1991 and is currently works in a specialist NHS centre for children and adolescents with chronic fatigue syndrome/ME. Phil is also a presenter on BBC Radio Bristol and has been Private Eye's medical correspondent since 1992, campaigning for patient empowerment, open data in healthcare and for the NHS to be honest and transparent about the harm it causes as well as the good it does. In 2012, he was shortlisted with Andrew Bousfield for the Martha Gellhorn Prize for Investigative Journalism for a Private Eye Special Report about the shocking treatment of NHS Whistleblowers. Phil has also won awards for broadcasting, popular health journalism, comedy and teaching. He is Vice President of the Patients' Association and a patron of Meningitis UK, the Doctors' Support Network, the Herpes Viruses Association, Patients First and Kissing It Better.

Phil presented five series of Trust Me, I'm a Doctor on BBC2 and has appeared regularly on Have I Got News for You, The News Quiz, The Now Show, The One Show and Countdown. He has been a Lecturer in Medical Communication at the Universities of Bristol and Birmingham,. Phil's Radio 4 sitcom about GPs struggling with the NHS reforms – Polyoaks – was written with David Spicer and the third series airs in June 2014. Phil has written three books – Medicine Balls, Trust Me, I'm (Still) a Doctor and Sex, Sleep or Scrabble? – and released two DVDs of his tours (Dr Phil's Rude Health Show and Confessions of a Doctor). He has currently on his third UK comedy tour with Games to Play With Your Doctor and writing his fourth book, 'Staying Alive – How to Survive the NHS' which will be published by Quercus in January 2015.

Written cancellations received by the UKLA Events team after 17:00 on 1st October 2021 will not be refunded, although substitute delegates are welcome. Please note, late changes may not appear in the Dinner Programme.

PRESIDENT'S CHARITY

Lifeboats

Fundraising in aid of the RNLI

On rivers and around the coastline volunteer lifeboat crews at the Royal National Lifeboat Institution stations provide a 24-hour rescue service in the UK and Ireland, and seasonal lifeguards look after people on busy beaches. Flood Rescue Team helps those affected by flooding. To do so, they rely on the safest, most reliable equipment, lifeboats, and modern stations to launch from. From the busiest RNLI station, Tower, on the Thames, to the spectacularly situated St David's in Wales, each lifeboat station is powered by passionate people, and is always ready to rescue. In 2020 we were busier than ever, with staycations and more people heading to the coast. With an average of 24 RNLI lifeboat launches a day, there is most likely a lifeboat crew out right now saving lives.

RNLI crews and lifeguards have saved over 142,700 lives since 1824 but the RNLI are more than a rescue service. They influence, supervise, and educate people too with Community Safety teams who work in local areas to explain the risks and share safety knowledge with anyone going out to sea, rivers or to visit the coast. And our international teams work with like-minded organisations to help tackle drowning in communities at risk all around the world.

RNLI lifeboat launches and lifeguard rescues are powered by you, our generous supporters like the UKLA. Without you, our brave lifeboat volunteers and lifeguards could not save lives. You're behind every life saved and every family reunited. Thank you for making every life we save possible.
