# Annual Dinner 2022

*The Lubricant Industry's most prestigious networking event*

## A first class evening awaits you and your guests

The UKLA Annual Dinner is the highlight of the Lubricant Industry's networking calendar and this year will be held at 8 Northumberland; there will be a gala dinner in the Ball Room and an evening of top quality networking, giving you the opportunity to make useful new contacts and renew old acquaintances.

Throughout the evening you will hear about how the United Kingdom Lubricants Association has worked with and for the industry during the year and get the opportunity to listen to our speaker the renowned Patrick Kielty.

This is your opportunity to mingle with other likeminded industry executives, make new contacts and enjoy an evening of fine food and company. Bring your clients and prospects and enjoy this prestigious occasion.

We are delighted to announce that our President's Charity for this year is the RNLI and 5% of the ticket revenue will be going towards this excellent cause.

### Northern Irish comedian and presenter Patrick Kielty

is one of the most recognisable names on TV having appeared on everything from prime time celebrity shows to late night standup and topical panel shows.

Starting his comedy career whilst still a student at Queen's University, Belfast, Paddy started (and compered) his own night at the city's famous Empire club which spawned a one-off BBC television special *The Empire Laughs Back*, and which won him a Royal Television Society award for best regional presenter.

Paddy's sardonic observations on life, Ireland, drinking, celebrities and politics have appeared on *Mock the Week*, *Live at the Apollo*, *Have I Got News For You* and many other panel shows. Whilst he has also hosted programmes as diverse as Channel 4's topical show *Stand Up For The Week* and BBC One's *Fame Academy*, *Celebrity Love Island* and *Sport Relief*, the *National Lottery Live* and the *Big Breakfast*.

After his time presenting, Paddy returned to standup. Having previously appeared at Belfast's Grand Opera House alongside Lenny Henry for *Comic Relief*, he sold out the venue for his solo return which was later released on DVD. Alongside his live and TV appearance, Paddy frequently appears on Radio 2 having stood in for Alan Carr, Steve Wright, Jonathan Ross and Simon Mayo on the station.

Written cancellations received by the UKLA Events team after 17:00 on 1st October 2022 cannot be refunded, although substitute delegates are welcome. Please note, late changes may not appear in the Dinner Programme. For full terms and conditions, please visit [www.ukla.org.uk](http://www.ukla.org.uk)

# Lifeboats

## Fundraising in aid of the RNLI

On rivers and around the coastline volunteer lifeboat crews at the Royal National Lifeboat Institution stations provide a 24-hour rescue service in the UK and Ireland, and seasonal lifeguards look after people on busy beaches.

Flood Rescue Team helps those affected by flooding. To do so, they rely on the safest, most reliable equipment, lifeboats, and modern stations to launch from. From the busiest RNLI station, Tower, on the Thames, to the spectacularly situated St David's in Wales, each lifeboat station is powered by passionate people, and is always ready to rescue. In 2020 we were busier than ever, with staycations and more people heading to the coast. With an average of 24 RNLI lifeboat launches a day, there is most likely a lifeboat crew out right now saving lives.

RNLI crews and lifeguards have saved over 142,700 lives since 1824 but the RNLI are more than a rescue service. They influence, supervise, and educate people too with Community Safety teams who work in local areas to explain the risks and share safety knowledge with anyone going out to sea, rivers or to visit the coast. And our international teams work with like-minded organisations to help tackle drowning in communities at risk all around the world.

RNLI lifeboat launches and lifeguard rescues are powered by you, our generous supporters like the UKLA. Without you, our brave lifeboat volunteers and lifeguards could not save lives. You're behind every life saved and every family reunited. Thank you for making every life we save possible.
