WELCOME TO

# *Manchester Hall*

A masterpiece of 1920s grandeur nestled in the heart of the city. Originally designed by the celebrated architect Percy Scott Worthington, this Grade II listed landmark has been meticulously restored to blend its neo-classical elegance with contemporary sophistication. Step through our doors and discover a venue where history, beauty and unforgettable moments come together.

For nearly a century, Manchester Hall has stood as one of the city's most distinguished architectural treasures. From the sweeping marble columns and barrel-vaulted ceilings of our Grand Hall to the intimate oak-panelled splendour of our private suites, every space tells a story of craftsmanship and prestige.
