

UKLA Executive Industry Overview 2024

Tuesday 1st and Wednesday 2nd October 2024

A two-day residential and intensive briefing providing senior managers and leaders an essential overview of the fundamental areas of the Lubricants industry including exploration, refining, manufacture, marketing and regulation.

Day one will cover the following topics:

- Crude Oil, Exploration & Refining
- Lubrication Fundamentals, Tribology & Wear Mechanisms
- Base Oil Types & Characteristics
- Additive Technology
- Power Generation & Marine
- Automotive Lubricants

Day two will cover the following topics:

- Off-Highway & Mining Equipment
- Industrial Lubricants
- Railway Lubricants
- Greases
- Metalworking Fluids
- Used Oil Analysis
- Oil Industry Glossary of Terms and Industry Abbreviations

Who Should Attend?

Senior managers working in the Lubricants Industry as well as those who need to be brought up-to-speed on all the relevant information pertinent to the UK & European lubricants markets. It is particularly pertinent for those working in non-technical areas of the industry such as legal, marketing, HR, administration and finance.

Date and Venue

The next course will be held on 1st and 2nd October 2024.

Cost

The cost for UKLA members will be £995 and for non-members £1095 excluding VAT. The course fee includes all course materials, meals and accommodation for the first night.

Course Director

Your Course Director will be Rod Pesch CChem MRSC. With over 50 years' experience in the Oil Industry few people can be as well placed to lead this executive overview of the industry.
